### **STATEMENT:**

As a business owner for 25 years in an exacting professional practice, I have also cared for my family as a proud and dedicated wife and mother. Lessons learned from my professional and personal life, delivering results on tight budgets, make me well suited to understand the challenges all Fairbanks residents face in providing for and caring for our families.

I make decisions by reading and evaluating all information available. I get the best advice I can. I talk to many people with different points of view. After looking at all sides of a question, I make a decision. My proven ability to deliver effective representation is possible because I can make a hard decision. I will put Fairbanks before a partisan agenda or adherence to political dogma.

If Shannon Park, South Fairbanks, Westgate, Aurora, Airport, Lakeview, Fort Wainwright and Downtown neighborhoods honor me with election, I will work hard for the following:

Ensuring a dividend and protecting the Permanent Fund

- require a vote of the people to spend earnings

Creating jobs that support families

- Promote economic growth including tourism, transportation and communication
- Opportunities for job training and child care
- Support Fairbanks businesses
- Promote a gas pipeline

Promoting quality education

- spending more dollars in the classroom
- making schools safe
- ensuring quality teachers, transportation, facilities

Protecting Neighborhoods

- safe places for children
- support law enforcement
- strengthen families and reduce domestic violence

I would appreciate your vote November 2.
